Dear David
Yes I will sit on the board, but it could be rather like letting the 'fox into the hen house'.

Best wishes

Fred

Dear Fred

The MyCampus Project Board is looking to enlist two members of the Lessons Learned Group onto its membership. The aim is to ensure we are better sighted as to the issues affecting staff who are using MyCampus.

Would you be willing to join us? The Board meets monthly - next meeting on Monday 6 February at 9.30. It would not take too much time on your part, I promise, and we would benefit a lot from having you present.

Let me know how you feel about this. If you'd rather not, then I won't push you, but I'd be very happy if you said yes.

David
