Dear Mr Starky

Thank you for your request dated 1 April 2009 for information under the Freedom of Information (Scotland) Act 2002 for the number of job vacancies advertised within the organisation on 1 April 2009, broken down into those advertised internally and those advertised externally.

On that date Fisheries Research Services (part of Marine Scotland from 1 April) did not have any vacancies advertised, either internally or externally. Currently, we have one post being advertised externally that went live on 10 April 2009, and no posts being advertised internally.

If you are unhappy with this response to your request, you may ask us to carry out an internal review, by writing to:

Prof. Robin Cook
Marine Scotland
Marine Laboratory
375 Victoria Road
Aberdeen
AB11 9DB
Email: x.xxxx@xxxxxx.xx.xx

Your request should explain why you wish a review to be carried out, and should be made within 40 working days of receipt of this letter, and we will reply within 20 working days of receipt. If you are not satisfied with the result of the review, you then have the right to make a formal complaint to the Scottish Information Commissioner.

Yours sincerely,

Helen McGregor
