Dear Mr Osborn,

Land at Feltham Road, Lower Feltham, London Borough of Hounslow

I refer to your letter dated 7th June addressed to Clare Underwood and have assumed that it is in fact intended for my attention.

The fact that land is green field or previously developed has little relevance with regards to the application of Green Belt Policy within an area designated as Green Belt. Relevant policy can be found in PPG2-Green Belts, The Mayor's London Plan and the Borough's Unitary Development Plan.

PPG3-Housing offers a definition of previously developed land.

Land at Feltham Road lies within Green Belt. Any proposal for development on this site Road would be considered, inter alia, with regards to its compliance or otherwise with Green Belt policy.

Yours faithfully

Lesley Underwood,
Strategic Planning Policy
