Dear Mr Davison,

REVIEW OF REQUEST UNDER THE FREEDOM OF INFORMATION ACT 2000

I refer to your letter of 14th April 2009 which requested that I conduct an internal review of your request for information under the Freedom of Information Act 2000 ('the Act'). In your initial request you asked the following:

I would like to know precisely what steps the UK Government have taken, or are planning to take to ensure that the Isle of Man comply with the publicly stated recommended policies as above. It is apparent that the Isle of Man, as a Crown Dependency, need to be instructed to comply and may well require assistance in order to reimburse 100% of depositors monies, therefore please also confirm that assistance by way of release of funds frozen with KSF UK (understood to be within UK Treasury powers) or a loan to the Isle of Man, has, or will be offered.

We have undertaken a further search and have confirmed we do not hold any information in relation to the request.

The department's previous response advises that HM Treasury and or the Financial Services Authority are likely to be better placed to answer this enquiry. I have included contact details for these offices as an Annex to this letter.

The Act places upon Cabinet Office a duty to provide advice and assistance so far as is reasonable. I am content that the department has discharged its duty to advise and assist both in the course of this review and in the handling of your request.

If you are not content with the outcome of the internal review, you have the right to apply directly to the Information Commissioner for a decision. The Information Commissioner can be contacted at:

Information Commissioner's Office

Yours sincerely,

Zara Smart
