Dear All

Please find attached a reply from Sport England which has clarified a number of issues (their feedback is in blue type).

I have found their responses to questions 1 and 3 to be particularly helpful (although I note Len had already resolved "1") and their answer to question 4 draws attention to Sport England's website that contains a wealth of information on Pots 3 and 4.

It's unfortunate that there may be insufficient time to complete negotiations with the PCTs assuming funding may be available (although in our case those negotiations are more critical in respect of the 16 and under element of the scheme so we may yet have time).

We will now await the outcome of tomorrow's Kent Leaders Group meeting.

My regards,

Charles
