Dear Mr Watson,

**Re: Freedom of Information (Scotland) Act 2002 – Request for Information**

Thank you for your email which was received by the University, on 30 June 2009 timed 15:51 hrs, requesting a Review of our actions, as detailed below.

"I am writing to request an internal review of University of Glasgow's handling of my FOI request 'Structure of Student Lifecycle Project

You have not answered my query " .. for each position please specify start date, end date, and the cost to the University." In addition you did not attach the Organisational Chart".

The University acknowledges receipt of your Request for a Review and confirms that it will respond to you within the timescales required by the Freedom of Information (Scotland) Act 2002. Further to our email dated 3 July 2009, with the omitted information from our initial response attached, we would be grateful if you could advise if you still wish us to conduct a review of your request dated 18 June 2009.

Yours sincerely,
