29<sup>th</sup> July 2009

Dear Mr Batsworth

We refer to our letters of 1 July 2009 and 22 July 2009 regarding your request for information under the Freedom of Information Act regarding the Construction Helpline/Hotline service. We indicated in our letter of 22 July that we had hoped to finalise our response by the end of this week. Regrettably, we will be unable to meet that deadline because our Information Officer (who is the only ODA staff resource administering and handling Freedom of Information requests) has been diagnosed with Swine Flu and is presently recovering out of office. This has placed severe restraints on our ability to process requests, but we hope to be able to respond to you in the course of next week.

We trust that you will agree to this extension of time in the circumstances, and we apologise for the inconvenience.

Yours sincerely
