The Local Authorities (Alcohol Consumption in Designated Public Places) Regulations 2007

The City of London Corporation has made a Designation Order under the provisions of the above legislation to come into effect on **1 January 2008**

The Designation Order means that if a police constable reasonably believes that a person is, or has been consuming intoxicating liquor within the designated public place or intends to consume intoxicating liquor in such place then the constable may require the person concerned:-

- (b) To surrender anything in that person's possession which is, or which the constable reasonably believes to be, intoxicating liquor or a container for such liquor (other than a sealed container) and the constable may dispose of anything surrendered in such manner as the constable considers appropriate.

A person who fails without reasonable excuse to comply with a requirement imposed on that person commits an offence. The maximum penalty on conviction will be a fine not exceeding level 2 on the standard scale currently £500.

The effects detailed above apply equally at all times to persons outside the following categories of premises:-

- ii) Premises as in (i) above but outside those times.

- iv) A place which is within the curtilage of premises in i) ii) or iii) above.
