Dear Mr Murray

**FREEDOM OF INFORMATION ACT 2000 – INFORMATION REQUEST
NUMBERS: 582, 584, 585, 586, 587, 591**

I have decided that the above requests are vexatious and in accordance with the Freedom of Information Act 2000 this letter acts as a Refusal Notice under Section 14(1) of the Act.

The reasons that I have concluded that your requests are vexatious are that these continuing requests can fairly be seen as obsessive. In addition, complying with these requests is imposing a significant burden on the limited resources of a relatively small District Council and hindering our ability to give due consideration to other requests. The volume, frequency and similarity of the requests are causing distress to staff.

I believe that the Council has done everything possible to answer your previous requests and provide you with the relevant information and reluctantly feel it necessary to now invoke Section 14(1) of the Act.

You have the right of appeal against this decision. If you wish to appeal please set out in writing your grounds of appeal and send to the Director of Strategy & Regeneration, West Lindsey District Council, Guildhall, Marshall's Yard, Gainsborough, Lincs, DN21 2NA.

There is also a further right of appeal to the Information Commissioner whose contact details are:
