Dear Mr Batsworth

REQUEST FOR INFORMATION

We refer to your request for information dated Friday 12 June 2009, received by the Olympic Delivery Authority (ODA) on Monday 15 June 2009 requesting:

1. *Quantities and types of all trees ordered to date for new plantings in the Olympic Park.*
2. *Details of any proposed orders for trees that have not yet been placed.*

Item 1

We confirm we hold information of the description specified in this item of your request.

Much of the information which you have requested in this item of your request is publicly available from the ODA's press release on 10 June 2009 which is available on the London 2012 website.

MAYOR OF LONDON

<http://www.london2012.com/news/media-releases/2009-06/2-000-olympic-park-trees-hand-picked-for-london-s-larges.php>

However, in order to assist you further, we have attached a table containing a list of all the trees which have been bought for the North and South Park and which include those trees which the ODA has ordered for the area around the Olympic Stadium (please see **Annex A**).

Item 2

We do not hold information of the description specified in this item of your request. The ODA holds (Section 3 FOIA) no recorded information (Section 84 FOIA) about any proposed orders of trees for the Olympic Park which have not yet been placed. The circa 2000 semi-mature British-grown trees which have been procured meet the ODA's required tree complement for the both the north and south of the Olympic Park in Games mode. We regret that we are therefore unable to communicate the information to you.

We can advise you (as per our Section 16 FOIA obligations) that we may be required to buy further trees for the Athlete's Village. However, we do not have any recorded information regarding "*proposed orders for trees that have not yet been placed*" for the Athlete's Village.

We trust that the above information is of assistance to you. However, if you are not satisfied with the response to your request and wish to make a complaint, you should write to The Information Officer, Olympic Delivery Authority, One Churchill Place, Canary Wharf, London, E14 5LN. Please state detailed grounds for your complaint.

If you are not satisfied with the outcome of your complaint, you may apply directly to the Information Commissioner for a decision. Generally, the Information Commissioner will not make a decision unless you have exhausted the complaint procedure provided by the ODA. The Information Commissioner can be contacted at: The Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire SK9 5AF.

Yours sincerely
