Dear Ms Quinn

FREEDOM OF INFORMATION REQUEST

I refer to your Freedom of Information request dated 16 June 2009.

Further, I note on 13 July 2009 that Michelle Hunt responded to you and provided you with information in relation to your request. Thereafter, on 13 July 2009 you e-mailed Michelle Hunt and stated that you were dissatisfied with the response and that you did not feel that you had received a full response to your information request.

I have been appointed to conduct an internal review into the response that was given to you in relation to your Freedom of Information request. This review is ongoing and in this part of my review I need to contact Michelle Hunt, in relation to the information that was provided to you on 13 July 2009. She has been on leave and therefore there has been a delay in responding to you. Specifically, I need to obtain details in relation to the response that they provided to you and question whether or not further clarification or information could have been provided to you in their response.

Given that my client has recently returned from leave I will need to request further information and then conclude my internal review, which I intend to do by Wednesday 19 August 2009.

Yours sincerely

Ben Fulton
