1. The total amount received by the purchase of printer credit at the University of Exeter for the academic years 2006/7, 2007/08 and 2008/09.

2006/7 - £75,783.33

2008/9 - £96,467.80

2. The number of printer credits purchased during these academic years.

The University does not use 'printer credits' rather users can add money to an account from which money is deducted for items printed. Printing costs are: 5p per mono page, 8p per duplex page, 20p colour page.
