

**AIR2399 – Home Education Children – Response from Children & Young People’s Services**

E) Please can you confirm whether any children who fit into the above categories of concern about 'educational provision suitability' would also therefore be referred to Social Services?

**Children and Young People’s Services Response**

**Please see the attached document called Every Child Matters – Thresholds and Descriptions.**

F) Lastly is it possible in your Local Authority that Social Services are involved with a family but that The EHE department do not know of this involvement (This involvement would be on an on-going basis rather than a one off referral which is found to be of no genuine concern)

**Children and Young People’s Services Response**

**No.**
