Dear Mr Taylor,

Thank you for your recent FOI request received 8 August 2009, concerning statutory notices regarding highways.

Specifically you requested the amount spent by the council in the financial year 2008/9 on placing statutory notices relating to highways a) in newspapers and b) elsewhere.

Also a breakdown both by publication and type of notice (the latter only if the council classifies them in some way).

The total expenditure in respect of Public Notices processed by me for the financial year 2008/09 was £130,161.66 **of which £95,632.50 relates to Highways & Access budget holders.**

Please note that the figures listed below include both payments made during 2008/09 and reserved creditors in respect of Public Notices.

Unfortunately we are not able to break this amount down into how much has been spent on each publication as this would mean looking at each of the 400 notices placed during the year on an individual basis.
