

Freedom of Information Query No FOI 791- Flood Storage Areas
Mr G N Hawkes

30th October 2008

Dear Mr Hawkes,

In answer to your query under the Freedom of Information Act, as clarified by our subsequent correspondence, I can supply the following information, which relates to our Midlands Region only.

- 1) Total number of flood storage areas, including both those that fall under the Reservoirs Act and those that do not, is 35.
- 2) The number of these where the overtopping spillway is restricted is 5.
- 3) The number where the spillway restriction could cause flooding to property upstream is 0.

Yours Sincerely

Dave Denness
Technical Advisor
Asset Management
