Section 2: The benefits of your grant

Please give details below of the ways in which the grant has been of benefit to the work of your group.

The Ofcom and licensing costs are strictly necessary for us to continue our broadcasts. Generally, therefore, the grant assisted us in maintaining financial stability. Our broadcasts, which occur twice per year, are able to reach over 25,000 people in the immediate geographical area, plus many others online.

In terms of benefit, all of our potential listeners could be included. Our listening figures estimate listening figures of about 12,500 total and 7,500 regular (i.e. daily or weekly) listeners.

More directly, each broadcast involves roughly 100 volunteers. Added to this should be the number of local groups who participate.

Section 3: The signed declaration

I confirm that the details contained in this form are correct and that we will keep all financial records and accounts, including receipts for items purchased with the grant, for at least two years from payment of the grant. We understand that this does not release us from our statutory obligations to keep records for longer periods. We are aware that we may be asked to forward receipts for inspection or that we may be visited to inspect our records.
