Email: request-18122-c6a101d3@whatdotheyknow.com

Dear Ellen

I am writing with regards to the enquiry you made to NHS Islington for information relating to dental practices.

The specific questions that you asked, together with our responses, are detailed below:

1. What is the total number of dentists in your area who have a contract with the PCT to provide NHS services? How many practices is this?

There are 25 dentists who hold a contract with NHS Islington.
There are currently 23 high street practices and two prison contracts.

2. Details of the gross income (for the last financial year 2007/08) of each of the practices within your PCT that provide NHS services?

We are not in a position to accommodate the request for the practice's contract values and UDAs, as this falls under section 40 (2) and (3a) (Personal Data) and Section 43 (Commercial Interests) of the Freedom of Information Act.

3. Provide the amount claimed in expenses for each practice according to their self-assessment tax forms for the last financial year 2007/08.

We are not in a position to accommodate the request for the practice's contract values and UDAs, as this falls under section 40 (2) and (3a) (Personal Data) and Section 43 (Commercial Interests) of the Freedom of Information Act.

4. Provide details of how many dentists are employed per practice.

See enclosed spreadsheet.

5. Provide the same detail (including gross income and expenses) per practice for the year 2004/05 - the year before the new NHS contract was introduced to improve access to dental services?

We are not in a position to accommodate the request for the practice's contract values and UDAs, as this falls under section 40 (2) and (3a) (Personal Data) and Section 43 (Commercial Interests) of the Freedom of Information Act.

Continued . . .

6. If available, the total number of "units" of dental activity and treatment carried out per practice in the last financial year 2007/08.

Please see enclosed map which shows UDAs per practice.

I hope you find this information useful, however, if you are dissatisfied with this response, the trust operates a complaints procedure, details of which can be found at the bottom of this letter.

If you require any further assistance, please do not hesitate to contact me.

Yours sincerely,

Gillian King
