Dear Ms Stewart-Taylor

Re: Freedom of Information Request

Thank you for your recent request, which was passed on to Cafcass from the DCSF on 28th September 2009 and passed onto myself, requesting the following:

Is it a statutory breach of the Family Courts, for CAFCASS guardians, Social Workers and Childrens Solicitors, to intimidate a Mother with threats of Forced Adoption for her children, if she does not get rid of her McKenzie friend? This happened at Barrow in Furness Family Court.

Looking into your request further it is not a request for information we hold as Cafcass does not have any guidance as suggested above. It is however apparent that you have a complaint to make about a Cafcass practitioner. I suggest you contact the Service Manager of the practitioner involved and register a complaint. The Cafcass complaints leaflet can be found at the following web address: http://www.cafcass.gov.uk/publications/leaflets_for_adults.aspx

This is the Carlisle Cafcass office address for any correspondence:
