I write in connection with your recent FOI request which was received on the 20<sup>th</sup> August 2008, which I note you are seeking access to the following information.

*Please could you tell me how many fixed location roadside speed/safety camera boxes there are in the Surrey Police area.*

*I am aware that live cameras are moved between these locations. Please could you also tell me how many live cameras are currently in use? Also please could you give these statistics (locations & cameras) for 2007, 2006 and 2005.*

Your request will now be considered in accordance with the Freedom of Information Act 2000. In some circumstances Surrey Police may be unable to achieve this deadline. If this is likely you will be informed and given a revised time-scale at the earliest opportunity.

There may be a fee payable for the retrieval, collation and provision of the information you request. If this is the case you will be informed and the 20 working day timescale will be suspended until we receive payment from you. If you choose not to make payment then your request will remain unanswered.

Some requests may also require either full or partial transference to another public authority in order to answer your query in the fullest possible way. Again, you will be informed if this is the case.

I would like to take this opportunity to thank you for your interest in Surrey Police.
