Dear Mr Wynn

## **SFO Reference 2009-98**

Thank you for your request, dated 4 January 2010, for a review of the decision made in the above Freedom of Information request.

The SFO's procedure for dealing with a complaint about an FOI request is to carry out an internal review of the original decision and this is carried out by someone other than the original decision maker who was not involved with the original decision. This process should not take longer than 20 working days.

The reviewing officer will contact you directly with the result of the review.

Yours sincerely

*Tracy Gildersleeves*
