Dear Mr Gaffney,

Re: Freedom of Information (Scotland) Act 2002 – Request for Information

Thank you for your email which was received by the University on 6 October 2009 timed 09:00 hours, requesting the following information:

"I would like a breakdown of the percentages of students born in each calendar month(eg August ,September ,etc)studying at undergraduate level(and postgraduate level) at the University of Glasgow in 2009
Further I would like to see this broken down into each course studied and each year of study.
Further if it wouldn't be too difficult I would like to see the percentage born in each calendar month and its effect on degree classification awarded in 2009
(I believe the August /September dates of birth will prove extremely interesting!)

Excel format or similar would readily do the job and be acceptable"

As the University of Glasgow is a Scottish Public Authority, your request is subject to the terms of the Freedom of Information (Scotland) Act 2002 ("FOISA"). The University acknowledges receipt of your request and confirms a response will be sent to you promptly; and in any event not later than 3 November 2009. The Freedom of Information Office will contact you if we require any further information.

Yours sincerely,
