Dear Jennifer Reeves

### **Freedom of Information**

I write further to my earlier letter and email of today and can confirm that we have now completed the search for the information which you requested in an email to the Learning and Skills Council (LSC) on 16 April under request 1.

The overall funding allocated to Swindon College is as follows:

<i>Year</i>	<i>£ Allocated funding</i>
2005/6	13,639,720
2006/7	£14,852,858
2007/8	£15,502,803

These mounts are for Further Education, Work Based Learning and Train to Gain contracted allocations. Funding for 2008/9 year has been allocated and therefore the information is not held by the LSC.

As previously advised, the LSC does not hold the other information you requested, and we would suggest that those requests are made of the College.

If you have any queries about this letter, please contact me. Please remember to quote the reference number above in any future communications.
