30th November 2009

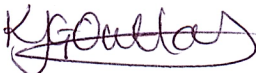

Dear Mr Hardwicke Carruthers

Re: Freedom of Information request dated 1st November

Please find enclosed copies of the minutes and the report that was submitted to Administration Committee on the 11th February 2009.

There are no internal documents with regards to Luton seeking to correct its acts but I can confirm that practices have been changed to ensure that this would not happen again.

Regards

P.P. 

Kevin Crompton
Chief Executive
