Dear Mr Neilson

Your request for information

Thank you for your email dated 3 November 2009 sent to our enquiries@ofsted mailbox. My colleague in our National Business Unit issued both of your requests with the same reference number; however for ease of reference I have issued this request with a separate reference number.

You have requested the following information:

- A copy of the workload monitoring data for HMI for the last two years. Showing for each individual HMI the hours they worked and the hours they spent travelling.
- The number of HMI that have signed an agreement to opt out of the European working time directive (EWTD) regulations.
- The number of HMI who have exceeded the maximum allowable average under the EWTD of 48 hours in the last two years.

We will consider your request under the Freedom of Information (FOI) Act 2000 and any other legislation that may apply.

Should there be any problems or difficulties in processing your request, we will be in touch with you again shortly. Otherwise, we will respond to your request within 20 working days from the date we received it, as required by the Act.

This should be by 1 December 2009; however, if we can respond sooner, we will do so.

If you have any queries or concerns about the content of this letter, please do not hesitate to contact me. My contact details are at the top of this letter.

Yours sincerely
