Source: 2005-06, 2006-07 and 2007-08 annual exclusions collected via termly School Census

*As permanent and lunch exclusions are very small in numbers, these were combined with fixed term exclusions

figures 3 and smaller have been suppressed

Figures include all sectors (primary, secondary, special and PRU)

This analysis looks at the number of excluded pupils rather than the number of exclusion incidents, and pupil can be excluded on more than one occasion.
