Stephen, Supporter, North Shields, Tyne & Wear 22:59 GMT on 24 April In 1991 a riot erupted in a North Tyneside Council estate, I am not going into the reasons, but one thing is for sure and that is that the Police could not handle it, Officers moved to other Stations and some went on the sick and some accepted early retirement!, The Council Estate was a fairly small one compared to others in the borough and around the country, the point I am trying to make is that it is about time we all nationally stood up to the Asylum and immigrant scroungers, using all means possible, imagine a riot in every City commencing at the same time!!!, it would show Blair and the PC brigade that we are taken no more shitty foreigners

here, it would be a quick comprehensive victory, the Police would have to step aside!!, no Law could cope, it would be messy, but we would get our country back. Take a typically trained British Soldier, they don't just stick a Gun over a wall and shoot at everyone do they?, NO!, they lie in wait and take out the enemy only, if we the Normal adapted that way, ie Rioting, but NOT attacking Police, burning Cars, and only causing the minimal distress to people, so that would mean charging into these Ethnic communities and getting them sorted, not just charging through a town where innocent elderly or whites could get injured or frightened, but go into a immigrant or Asian stronghold and make it weak!!. NEVER MIND WE COULD ALL DREAM!!!!, But if it happens and every Army needs a General...Give me a shout!!
