Dear Mr Beckles,

Your request was received on 29 November 2009 and I am dealing with it under the terms of the Freedom of Information Act 2000 (FOIA).

You asked:

"In Reporter No. 6168 a Notice is published giving the General Board's response to the Discussion of a Topic of Concern on 7 July 2009. Please would you supply, in electronic form, all information, up to 26 November 2009, regarding the University's response to the aforementioned Discussion as well as anything pertaining to the formulation of that response.

Some of the information may well be in records or minutes of meetings at which the Discussion and/or the response were discussed, as well as notes, memos or e-mails about these subjects. (Of course, some of the information may well be in other places as well.)

I believe both the Topic of Concern and the response to the Discussion were discussed at Council. I also believe that this subject was discussed by the General Board and also by the University Council Business Committee. However, I may be incorrect, and, in any case, these matters may have been discussed by other bodies within the University and at other meetings."

I attach the requested documentation. Please note that this documentation should not be copied, reproduced or used except in accordance with the law of copyright.

If you are unhappy with the service you have received in relation to your request and wish to make a complaint or request a review of this decision, you should write to the Administrative Secretary, quoting the reference above, at the Secretariat, The Old Schools, Cambridge, CB2 1TN. If you are not content with the outcome of your complaint, you may apply directly to the Information Commissioner for a decision. Generally, the Information Commissioner cannot make a decision
