Dear D.Speers,

Your application under the Freedom of Information Act for information on investigation data

I am writing in response to your Freedom of Information Act request received on the 4 December 2009.

Our Trust has never been the subject of an investigation by:

- 1) the Commission for Health Improvement (CHI)
- 2) the Healthcare Commission (HCC)
- 3) the Care Quality Commission (CQC)

There are currently no secondments of staff at (grade 8 or above) between our organisation and our strategic health authority and there are no records of any such secondments in 2007-8 or 2008-9. We would have to consult our manual records for any data earlier than this, which would cost more than £450 in staff time, which is greater than the 'appropriate limit'.

I hope that you find this satisfactory.

The Trust provides a complaints procedure for the Freedom of Information Act and if you are not satisfied with the response, you should write to the Chief Executive. Furthermore, you have a right to complain to the Information Commissioner for a determination under Section 50 on whether the Act has been complied with. The Information Commissioner's details are: Information Commissioners Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF.

Yours sincerely

Mr Jide Odusina
Head of Communications
