Dear Ms. Morgan

Freedom of Information Act 2000

Thank you for your request for information, received on 15 December 2009. You requested:

Does the council have any plans in the future to separate the costs of tenant participation from rents and show this service as a separate costing on the annual rent statements tenants receive?

I beleive this will allow tenants to have a choice as to whether or not they wanted to pay for tenant participation depending on whether they actually received the service, how these funds are being spent and how accountably the tenants groups are.

The last figure for how much tenant participation was costing tenants was in 2005 at £2-3m.

We can confirm that the Council does not have any future plans to separate the cost of Tenant Participation in annual rents statements.

We hope that the information is useful to you.
