Dear Mr Neal,

Re: Freedom of Information (Scotland) Act 2002 – Request for Information

Further to our earlier request for clarification and your subsequent response, please could you provide further clarification on the following point.

Your request:

“And finally I also request information on expenses claimed on university money related to the principal and senior level managers.”

With regards to this question, the University has interpreted this as the total amount claimed in expenses per individual member of SMG staff and the Principal each year over the given period. Please confirm if this interpretation is sufficient for your purposes.

Until we receive clarification, the University will consider this information request to be suspended. The 20 working days to respond will commence when we receive your clarification.

If we do not hear from you within one month of the date of this letter we will assume that you are no longer seeking access to this information and the University will take no further action.

Yours sincerely,

Data Protection and Freedom of Information Office
