Subject: FW: Freedom of Information request - School crossing patrols / lollypop people 580906

Hi Stephen,

In response to the freedom of information request:

We have 48 school crossing patrols in Brent & 1 relief school crossing patrol who covers when a regular patrol is absent.

As you highlighted the school crossing patrol locations are on the website, although 2 have since been deleted due to funding. The 2 deleted sites are both on pelican crossings serving schools who already have 1 patrol, the sites are for Kensal Rise primary (Banister Road) & Sudbury Primary (Watford Road).

Kind Regards
