Copyright and the Re-use of Public Sector Information Regulations

Most of the information that we provide in response to Freedom of Information Act 2000 requests will be subject to copyright protection. In most cases the copyright will be owned by Mendip District Council. The copyright in other information may be owned by another person or organisation, as indicated in the information itself.

You are free to use any information supplied for your own use, including for non-commercial research purposes. The information may also be used for the purposes of news reporting. However, any other type of re-use, for example, by publishing the information or issuing copies to the public will require the permission of the copyright owner.

For information where the copyright is owned by Mendip District Council please submit a request in writing stating:-

- Name and address of applicant requiring permission for re-use of the information
- Full details of the document/information required for re-use sufficient for the Council to identify it
- The purpose for which the document/information is to be re-used

For information where the copyright is owned by another person or organisation, you must apply to the copyright owner to obtain their permission.'
