

Thank you for your recent enquiry. Please find attached a list of all supported living learning disability care packages (defined as the care package for a single individual) paid for by the Council for which a weekly fee of greater or equal to £1000 per week is paid for the care part of the package.

The breakdown includes the name of the provider the date the care package commenced, the cost of the care package per week, the cost of the care package per hour (where available).

A breakdown of how each package is funded has not been included as this is directly related to the individual's personal financial circumstances so would be personal data and exempt from release under S.40.

Supported Living Learning Disability Care Packages (defined as the care package for a single individual) paid for by the Council for which a weekly fee of greater or equal to £1000 per week is paid for the care part of the package.
