**Subject:** Colwyn Bay Pier [Scanned]

Hello Richard

Further to our site meeting last Friday, we are pleased to confirm our quotation as follows

To make safe, (as far as is reasonably practicable – as viewed from beach level) original materials which have become loose at 3 Nr locations of the east side of Colwyn Bay Pier for the lump sum fixed price of £ 983.00 + VAT.

**Please Note:**

1. Whilst every practical effort will be made to remove all loose items, JPS would obviously be unable to guarantee that other materials would not become loose, at these locations, over time.
2. 1.2m high safety barriers could be supplied by JPS at an extra cover cost of £ 22.00 + VAT . Alternatively, the Council may wish to provide these barriers, themselves. £25-30p
3. If this work is to go ahead, we would suggest that it is carried out next Monday 28<sup>th</sup> September, on an outgoing tide.

We look forward to hearing from you in due course.

Best regards
