## **Response to Freedom of Information request (FOI\_10-11)**

*I would like to receive the following as your response to my FOI request:*

*The date of first meeting of any CRU academic staff involved with Sir Muir or any independent member of the inquiry. I am not interested in meetings with UEA administrators but with academics.*

The first meeting between CRU academic staff and the review team took place on 18 December 2009.

*The number of meetings with academic staff that have so far occurred up to the point of receipt of this request.*

To 29 January 2010, the Russell Review team had taken part in three (3) separate meetings with CRU academic staff

*The names and status of independent members of the inquiry that have met with UEA staff, for example I would assume that Sir Muir will be helped by a computer scientist and a scientist who have no connections with UEA.*

The names of the team members are available from the Independent Climate Change Email Review website at: <http://www.cce-review.org/Biogs.php>
