Dear Ms Davis

Environmental Information Regulations 2004 – Extension of time – RFI #750

I am writing to advise you that the time limit for responding to your request for information under the Environmental Information Regulations, which we received on 5th May 2010, needs to be extended.

The Regulations allow us 20 working days to respond to your request from the date of its receipt. However, it is occasionally necessary to extend the 20 working day time limit for issuing a response. In this case, I regret that we must extend the time limit for responding by 20 working days to 1st July 2010, because of the complexity and volume of the request.

If you are unhappy with the service you have received in relation to your request and wish to make a complaint, please contact Darren Green, Natural England, Block B Government Buildings, Whittington Road, Worcester, WR5 2LQ. Under Regulation 11(2) this needs to be done no later than 40 working days after the date of this letter.

If you are not content with the outcome of your complaint, you may apply directly to the Information Commissioner for a decision. Generally, the Commissioner cannot make a decision unless you have exhausted the complaints procedure provided by Natural England. The Information Commissioner can be contacted at: The Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF. Telephone: 01625 545 700, www.ico.gov.uk.

If you have any queries about this letter, please contact me.

Yours sincerely
