INVESTOR IN PEOPLE

11 February 2010

Dear Ethan

Freedom of Information Act 2000 - Request for Information

I am writing in respect of your recent enquiry for information held by the Council under the Freedom of Information Act.

Lord Adonis has indicated that Luton Station is on the list of stations for investment. However, there has not yet been an announcement on the level of funding that will be received or the timescale for delivery.

The exact nature of the works has not yet been determined but would be at the existing station site.

The Council does not keep an inventory of signs. However, the use of Central is to differentiate the station in the town centre from Parkway station.

If you are unhappy with our response, please write to Pauline Manning, Performance & Support Services Manager, Resources and Performance Review, Environment and Regeneration, 3rd Floor Town Hall, George Street, Luton, LU1 2BQ or email Pauline.manning@luton.gov.uk. If you remain unhappy after the conclusion of the Council's internal complaints procedure you may apply to the Information Commissioner Wycliffe House, Water Lane, Wilmslow SK9 5AF.

Yours sincerely

LAURA CHURCH
