Job No		Date of Meeting	21/01/10	Meeting No	1	Page 2 of 3

NOTES	DATE	ACTION
Purpose of the Meeting		
1.1 To review the draft Environmental Scoping Report.		
Actions identified by SMBC/SW and General Notes		
2.1 Mouchel to review use of GMPTE acronym and replace with GMITA where appropriate.	22/01/10	Mouchel
2.2 Mouchel to include additional detail to highlight the inclusion of a designated cycle route along the existing A555 providing a benefit.	22/01/10	Mouchel
2.3 Mouchel to issue SMBC with a copy of the 2007 Draft Environmental Statement to ensure an agreed copy of the document is held on file.	22/01/10	Mouchel
2.6 Mouchel to include amendment to state that the protected route corridor is associated with previous HA schemes.	22/01/10	Mouchel
2.7 Mouchel to amend objectives to ensure only high level objectives are retained and include text to make it clear that detailed scheme objectives are subject to review.	22/01/10	Mouchel
2.8 Agreed that the current scheme description was broad enough to account for future design clarification with the exception of the junction with the A523. Mouchel to amend this description.	22/01/10	Mouchel
2.9 SS informed Mouchel that Noise mapping had been carried out by DEFRA for Greater Manchester. Mouchel to review this data and make reference to this in the Scoping Report where applicable.	Ongoing	Mouchel
2.10 Mouchel to include general text on recent DMRB modifications (specifically the reduction of 12 environmental topic areas to 10). The text will also explain how construction related activities and planning aspects will be assessed within each topic area, and serve to give confidence that the final statement will be comprehensive.	22/01/10	Mouchel
2.12 Mouchel to cross check more recent conservation areas to ensure ES plan is as up to date as possible.	Ongoing	Mouchel
2.13 SS informed Mouchel that the flood mapping data had recently been updated by both SMBC and CEC.	Note	
2.14 JG proposed to feed the ES back to SMBC in draft stages.	TBC	Mouchel
