Dear Sir/Madam,

Freedom of Information Request - RF120100262

Thank you for your request under the Freedom of Information Act 2000 ("the Act") received on 19 February 2010, seeking the following information:

I would like to know the median salaries for permanent and fixed-term contract staff in the BBC's Future Media & Technology division for the following job titles:

- Senior Technologist
- Lead Technologist
- Principle Technologist

Please note that I am seeking the salaries for these specific roles rather than the appropriate pay bands.

Please find below median salaries for each of the roles you have requested, for staff employed on permanent or fixed-term contracts within Future Media & Technology as at 28 February 2010. These figures are based on full-time equivalent salaries to take into account those staff who work part-time.

Category	Median Full-Time Salary (£)
Senior Technologist	48,512
Lead Technologist	54,902
Principal Technologist	71,975

I hope this response satisfies your request.
