

Sarah Goldsmith

As previously advised in our e-mail of 25 February, your enquiry was not dealt with under the provisions of the Freedom of Information Act 2000. This type of enquiry is dealt with as routine day to day work, and therefore as advised, we responded under 'Business as Usual'.

I note your comments that we have not answered any of your questions as you was asking about lawful (not what we call legal) and that you emphasised this by very carefully using capital letters on every single bullet point. However, you may wish to be aware that the word lawful is a synonym (equivalent) of legal. Therefore, all your questions have been answered.

No further correspondence will be entered into on this matter.

Yours sincerely

Policy and External Communications Directorate
