1) How many deaths in custody have occurred in the last 5 years?

The figures by force area are published by the IPCC by financial year. Under section 21 of the FOI Act, we are not required to provide information in response to a request if it is already reasonably accessible to you. The information you requested is available on the following website.

http://www.ipcc.gov.uk/index/resources/research/reports_polcustody.htm

2) Which station was responsible for each person who died? (E.g. Bromley: X deaths. Brixton: Y deaths. Etc.)

We have assumed that you require the station where each death occurred as the stations were not necessarily 'responsible' for these deaths.

The deaths occurred on E1 (Bournville Lane), K1 (West Bromwich) and K2 (Smethwick) Operational Command Units.

3) How many members of the public are served by the police stations where deaths occurred?

The data below are taken from the 2001 Census.

OCU	Population
E1	139,558
K1	141,254
K2	141,653
