Desc.: On left hand side of Clapham Hill, Whitstable heading towards Whitstable from Canterbury, Hawthorn bush requires trimming back to clear the pavement.			
Location: On left hand side of Clapham Hill, Whitstable	Contact:		
Enquiry No: 16201953	Logged by: Hilary Janson	on: 23/06/2008 15:40	Officer: Kevin Abell
Service: Road/Carriageway	Subject: Unclassified	Classification: Faults	
Desc.: At the Long Reach roundabout at the top of Borstal Hill, Whitstable, there has for a long time been traffic management which sent cars in the right hand lane straight ahead or right and cars in the left hand lane left ONLY. There has recently been work completed at the junction changing the layout of the right hand lane. During this work the signs on the road were changed to indicate that the left hand lane is both left for Whitstable and can be used to go straight ahead. Meanwhile the road sign coming up to this junction still says left lane left turn only. Since these changes I have witnessed three very near misses as most people are still using the right hand lane to go straight ahead, but a few people are using the left hand lane. Please either make it clearer that there has been a change in the traffic management or revert the signage on the road to match the road sign.			
Location: Long Reach Roundabout, Whitstable, at the top of Borstal Hill	Contact:
