10th March 2010

From the Deputy Clerk of the Council

Dear Mr Elibank,

Thank you for your email of 5th March in which you request information under the Freedom of Information Act concerning Counsellors of State.

The Privy Council Office does not have responsibility for this matter and does not hold the information you request. I have therefore transferred your request to the Crown Office, based at the House of Lords, who are dealing with this and your earlier request on the same subject.

Yours sincerely
