Dear Ms Potter

Thank you for your e-mail of 19 March 2010 in which you ask for copies of the UASC costing submissions submitted by local authorities (cross reference FOI request 12455). Your request is being handled as a request for information under the Freedom of Information Act 2000.

In the course of pulling this information together I noticed that you have asked the local authorities in question for this information and appear to have received it. In light of this please confirm whether you would still want this same information to be provided by us.

Once you provide this information, we will aim to send you a full response to your request within twenty working days.

Yours sincerely

Elizabeth McMillan
