Monday 22 March 2010

Dear Ms Thorne

**FOI Reference No : FOI-20104/80001**

Thank you for your email dated and received by my office on the 22 March 2010. You have requested the following information under the terms of the Freedom of Information Act 2000:

Could you please provide me with the total number of accidents which WY Police have either been called to attend, or have been notified of, either on or at junctions adjoining Chapel Street, Cross Green Lane or Green Lane in LS15 in Leeds. For all those accidents you hold information on, could you please also provide me with any information you hold that indicates an analysis of or conclusion drawn as to why the accident occurred (ie. the vehicle was reported to be travelling above the speed limit, or the driver was above the legal limit for drink driving). Please contact me if you require further clarification of this request.  
Yours faithfully,  
Emma Thorne

Your request will now be considered and you will receive a response within the statutory timescale of 20 working days as defined by the Act, subject to the information not being exempt or containing a reference to a third party. In some circumstances West Yorkshire Police may be unable to achieve this deadline. If this is likely you will be informed and given a revised time-scale at the earliest opportunity.

In exceptional circumstances, there may be a fee payable for the retrieval, collation and provision of the information you have requested. If this is the case you will be informed and the 20 working day timescale will be suspended until we receive payment from you. If you chose not to make a payment then your request will remain unanswered.

**Yours sincerely**

John Coop  
Freedom of Information Project Officer

pp  
**Steven Harding**  
**Head of Information Management**

The information supplied in connection with this application will be used for the purpose of the administering of this request and to ensure the accuracy of Police systems.
