Dear Richard Jackson

**FOI Request: The Common Purpose Charitable Trust**

As a recent user of the Commission's Decision Review/Final Decision process, we would value your comments on how well the process worked for you. We strive continuously to improve the service that we provide and would appreciate it if you could take some time to complete the attached feedback form and return it to us by email. Alternatively, you could print off the feedback form, fill it in by hand and post it back to us at the above address.

Where you consider that our service could have been better, we would be especially grateful for your views on how you think this could have been improved, so that we may develop our service in future.

Yours sincerely
