Dear Ms Logan,

### **Request under the Environmental Information (Scotland) Regulations 2004**

I refer to your request dated 20 October 2008 requesting that certain information be provided to you. I can confirm that the Council holds the information that you are requesting. The Council is treating your request as a request under the Environmental Information (Scotland) Regulations 2004 rather than the Freedom of Information Act.

Attached is a list of all applications received after 30<sup>th</sup> April 2005 which Glasgow City Council has processed and which include demolition or partial demolition of a Listed Building. The applications are sorted by the listing of the building and then by application reference number. There may be more than one application for the same address eg where both a planning application and listed building application were made but these have been included for completeness.

In all cases the recommendation of this Service was the same as the final decision shown on the list. A number of applications have no decision as these are still being processed.

The list does not include applications which were made but not processed eg those withdrawn by the applicant or where permission was not required under the relevant legislation. If you require information on these applications please let me know and I will provide the additional information.

The Council accordingly feels that it has complied in full with your request. However, if you feel that this is not the case please contact me at the number above.

Please note that the information provided in response to your request is, unless otherwise indicated, copyright © Glasgow City Council 2005. It is supplied to you in terms of the Environmental Information (Scotland) Regulations 2004. Any further use by you of this information must comply with the terms of the Copyright, Designs and Patents Act 1988 as amended and/or the Copyright and Rights in Databases Regulations 1997. In particular, any commercial use or re-use of the information provided requires the prior written consent of the Council. Requests for such consent should be addressed to the Head of Corporate Communications, Glasgow City Council, City Chambers, George Square, Glasgow G2 1DU.

Some or all of the information may be subject to third party copyright, in which case the permission of the third party copyright holder may be required. No claim is made in respect of third party copyright.

Yours sincerely,

Carla AM Salveta
