Dear Mr Bimmler,

I am writing further to my colleague Ian Lister's email of 2 June 2009, regarding your internal review. In the letter we indicated that we were aiming to send you a full response to your request by the end of this week. Unfortunately this review is continuing to take longer than we expected. Having reviewed our position I anticipate a response being provided to you by 10 July 2009. I realise that this will prove disappointing to you, however this is now being treated as a matter of priority, and I am hopeful of a response being provided within this revised deadline.

I do once again apologise for the continued delay. If you have any queries regarding the handling of this internal review please do not hesitate to contact me.

Yours sincerely,

John Bragaglia  
Information Access Consultant
