Dear Mr Robinson

### Outcome of Internal review in accordance with Freedom of Information Act 2000

Thank you for your email of 19 January 2009 requesting an internal review relating to your original request for information dated 13th December 2008

Will you confirm or deny OS maps produced by HMLR under licence become crown copyright from the date they are independently produced by HMLR.

Having considered the grounds for the review I wish to inform you that I am satisfied that Ordnance Survey has already provided you with the information you requested in its response dated 16<sup>th</sup> December 2008 which stated:

The Land Registry uses Ordnance Survey mapping under licence from us, under this licence they may alter or amend the map in line with their statutory duties. As a crown body, The Land Registry can amend the Crown copyright date to the date they publish their amendments.

I therefore consider this request closed and will enter into no further correspondence on this matter

Please note that your appeal has been processed to Freedom of Information guidelines. If you are unhappy with our response, you may raise an appeal to our Information Commissioner's Office at:
