Dear The Digger

RE: YOUR REQUEST FOR INFORMATION

The application that was received by the Council on 29 December 2008 has now been considered and this letter is a full response to that application.

Your request was for: - ASBO statistics by ward level and how many acceptable behaviour orders have been issued, or have attempted to be issued to person/s with a known mental illness since the implementation of ASBO powers.

The Council does hold the information that you have requested, however, we record ASBOs by address (ward level is not recorded); also we do not record the mental state of recipients of legal or voluntary orders.
